### ARCIC 1977

With the provisional programme you will find various documents and journals; these are fully listed and numbered in the continuation catalogue. This includes Gunther Gassmann's consideration of Windsor, further comment on Venice (some of which was only published this month), a precis of the official report of the Church of England General Synod debate on Venice, and the usual Report on Anglican/Roman Catholic relations (with some attention to the Archbishop of Canterbury's visit to Pope Paul and the proposed Ordination of Women Consultation as well as a survey of national dialogues). There is also Bishop Howe's letter to Primates.

The Graymoor Prize money on the 28th July stood at £2,727; an increase of £225 on last year.

Total sales of Agreed Statements and Commentaries have been as follows (not USA):

SPCK	Eucharistic Doctrine	12,538
	Ministry and Ordination	15,013
	The Agreed Statements (Windsor & Canterbury)	7,633
	Authority in the Church	10,730
	Truth & Authority	2,499

Anglican/Roman Catholic Dialogue (Clark and Davey) has not sold particularly well. Oxford University Press have been requested not to pulp. It is hoped the Commission may be given the remainder for distribution.

The Anglican/Orthodox Joint Doctrinal Discussions Agreed Statement (Moscow 1976) is now at proof reading stage. ARCIC will be receiving copies of the published document in the autumn. Professor Fairweather is a member of this Commission.

Though the future is not clear, members may do well to have future ARCIC dates:

1978	29th August - 7th September
1979	28th August - 6th September
1980	26th August - 4th September

Archbishop Felix Arnott will not be with us at Chichester; his General Synod meets at this time. Bishop John Moorman is recovering from a minor operation and will be with us on 2nd.
