ANGLICAN/ROMAN CATHOLIC CONVERSATIONS

The ARCIC Statement on the Eucharist

The Council received the Agreed Statement on Eucharistic Doctrine of the Anglican/Roman Catholic International Commission (ARCIC). The reactions of all the member Churches will be taken into account by ARCIC in any revised version of the Statement. Attention is drawn to the recent publication of the background documents to the Statement (e.g. in "One in Christ", June 1973).

The Council wishes to record its satisfaction with the work of ARCIC; and looks forward to the prospect of an Agreed Statement on the Ministry in the near future.

RESOLUTION 5: ARCIC STATEMENT ON THE EUCHARIST

The Council welcomes the ARCIC Agreed Statement on Eucharistic Doctrine. It recommends the Statement to the consideration of all member Churches and asks those Churches which have not already reported their response to the Secretary General to do so.
