26th May 1978

Thank you very much indeed for your letter and enclosures which have arrived safely. The project I mentioned in my earlier letter will indeed involve an English translation of the Groupe des Dombes document on Episcopal Ministry. I am also grateful for the Chambesy document.

Pierre Duprey was in London at the beginning of the week and I think we may have found a way forward on our Versailles Report. Eric Doyle was not happy with the version of Fr. Congrar's Note which he received from Bishop Torrella. We have had our cautions, as a separate Note from one side would seem to undermine the value of a joint Report, but, as I say, I think we may have reached a solution now.

With my warm best wishes and thanks,
