Dear David:

I received both of your letters. Thank you.

Now concerning WCC document, unfortunately I have not received it.

Enclosed is the Critical Response to UT UNUN SINT from the House of Bishops. As a member of the House and Responsible for the Ecumenical Relations I drafted a brief analysis of the document and I took to the meeting of the House last week, and the bishops authorized me to draft what I am sending to you.

Sorry that the Pope has illusion about the acceptance of his "vigilant ministry" by the Churches.

I have a slight "suspicion" that the ARCIC I worked with some kind of illusion that the Vatican will pass under substantial change for better collegiality, but it has not been the case.

What is your Email Address?

I have dhamid@pop.web.apc.org. Is this OK? Nowadays I like more Email address than P.Office.

In our meeting of CONFELIDER 97 and SÍNODO you were remembered as good companheiro (fellow) by those who met you.

Wishing you the best, I am yours always.
